

**OHSU School of Nursing
7-year limit for science coursework waiver request form**

Applicants to the 3 year Bachelor of Science, Accelerated BS and Accelerated BS to DNP programs can use this form to request a waiver on the science prerequisite courses that were completed beyond the 7-year time limit. These courses include: **Human Anatomy and Physiology, Nutrition, Introduction to Genetics, Microbiology and Statistics.** (Please note: genetics and statistics are not prerequisites for the 3 year bachelors program).

You may request a waiver for the 7-year time requirement on any of the prerequisites listed above for faculty review. **Note: this waiver does not guarantee that your courses will be waived.** After review, you will be notified of whether or not your course is waived. If your waiver is denied you will need to come up with a plan to take the indicated course by the time the program starts, if admitted.

List course(s) you are requesting a waiver for, the institution, year and term you completed them.
