

## **MAKE YOUR VOICE HEARD!**

**Do you identify as transgender, genderqueer, nonbinary, or just not cisgender?**

**Are you between the ages of 13 to 21?**

If so, Help Make Change for Transgender and Gender Non-Conforming (TGNC) Youth and Young Adults in Oregon!

The OHSU Transgender Health Program and its Doernbecher Gender Clinic have received some funding from the Oregon Health Authority to conduct research that will help the state of Oregon understand how to better meet your needs in school, at home, at work, in your healthcare, and in your community.

The more people who participate the better understanding we will have about how laws and policies affect the daily lives of TGNC youth and young adults. To thank you for participating you can be entered into a raffle for a chance to win a 50-dollar gift card.

The survey will ask multiple choice questions, is anonymous, and should take approximately 10 minutes to complete!

**You can find the survey here:**
